The display or distribution of any material, in any form, from any area within the Exhibition Halls, other than within the boundary of your stand is strictly prohibited.

### **2. OCCUPATION OF STAND**

The stand must be occupied by **8 April 2018** otherwise the organisers will reserve the space or deal with it in any way they think it will fit and retain any sum of money already paid.

### **3. ELECTRICAL SUPPLY**

The power supply at the Exhibition Hall is Single Phase, 220V, 50Hz, or Three Phase, 380V, 50Hz . Electricity is also protected by 30MA ELCB.

Please ensure you order a sufficient number of sockets to prevent overloading. 24 hour electricity supply must be ordered separately through the official stand contractor.

Electricity supply is brought to the stands from underneath the flooring thus it is not possible to install or alter mains connections after commencement of stand construction. Please ensure you order electrical connections in advance to avoid delays onsite.

It is duty of the Official Contractor to check all connections of the (Space Only) Stands, before switching the power on.

### **4. GENERAL INFORMATION ABOUT STANDS**

Exhibitors must ensure that the aisles adjoining the stands are not blocked during build up and break down, to a degree, which inhibits the movement of other exhibitors and freight. Exhibitors must also ensure that the aisles adjacent to their stand are un-obstructed throughout the opening hours of the exhibition. The organisers reserve the right to restrict the area of scaffolding or equipment and limit the times during which they shall remain in the halls or on the stand .

No part of the stand or exhibit including the fascia, signs, lighting, corner posts or other fittings, shall project into or overhang any aisle or adjacent stands or obscure any fire exit or exit signs, or be suspended from the roof.

It is strictly prohibited to affix nails, hooks, tacks, screws, adhesives, paint or similar items to the floor, walls, ceilings, or any other parts of the exhibition halls.

Exhibitors are not allowed to paste, exhibit, or otherwise affix advertisements anywhere in the exhibition halls except on their own stand. The Exhibitor may not distribute handbills, advertisements, photographs or any other printed material from the aisles and outside areas of the exhibition.

Exhibitors are not permitted to connect or otherwise interfere with the electrical, gas, or water fittings of the halls and shall not introduce into or use in the halls any supplementary equipment for the generation and supply of electricity, or for other means of artificial lighting and generating power.
